Dear Past and Prospective Chamber Members,

As we approach a new year, I would like to take this opportunity to remind you what a beneficial organization the Wellsboro Area Chamber of Commerce (“Chamber”) is, and to encourage you to renew your membership in the Chamber for 2011. Together we have accomplished a lot in 2010 and with your continued support and service, we can accomplish even more in 2011.

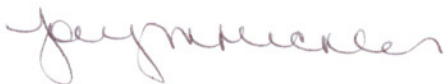

Chamber members, volunteers, and staff spent countless hours in 2010 planning and ensuring that all of the Chamber events that make Wellsboro so unique continue to grow and prosper. For instance, we recently concluded our 27th Dickens of a Christmas, which brought approximately 35,000 people into our beautiful town. Also, the Chamber Dollars program continues to be very successful. So far this year, \$51,000 worth of Chamber Dollars was purchased, of which 100% is spent locally!

Another major success this year is that we reached the record number of 307 Chamber members. Help us spread the word to attract new and retain existing members, so we have another record in 2011! Wellsboro is a growing community and we intend to grow with it.

Again, I encourage you to renew your Chamber membership for 2011. The more service we put in as members, the greater service we will be able to put back into the community that we all care for so much. Please encourage your fellow friends, neighbors, and businesses, to also renew – or join! – the Chamber to ensure that Wellsboro remains the close, special community that it is. For your convenience, a copy of our fair share dues formula and invoice are enclosed.

I look forward to working with you in what promises to be a prosperous new year for the Wellsboro Area Chamber of Commerce! Thank you so much for all your support; we couldn't do it without you and I send this...

With Warm Appreciation and Gratitude,

Joey M. Heckler, President
